Please select **only one** of the following:

Pauline Armijo “Excellence in Education” Scholarship

Pauline Armijo was the personification of an excellent teacher. She expected excellence in her classroom and demanded excellence in her life. She was loved by her students and by everyone she met and she taught us that learning is lifelong, and includes laughter and love. Pauline was teaching third grade at Laguna/Acoma pueblo until her passing in July of 2001. This scholarship will be awarded to applicants who are pursuing their degrees in the field of education.

Mark Armijo “STEM Support” Scholarship

Mark Armijo was a constant supporter of the STEM fields. Science, Technology, Engineering and Math were all fields he excelled in and was passionate about. Mark earned his bachelor’s degree in Computer Engineering while he worked at Intel and then worked as a Systems Analyst for the Albuquerque Bernalillo County Water Utility Authority until his passing in December of 2015. Mark was loved by everyone he met and he taught us to always live life to its fullest. This scholarship will be awarded to applicants who are pursuing their degrees in any of the STEM (Science, Technology, Engineering & Math) fields.

ESSAY
